Notes:

1. In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed and pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate Affairs followed by Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 dated January 13, 2021 and all other relevant circulars issued from time to time, physical attendance of the Members to the AGM venue is not required and general meeting be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.

2. The Ministry of Corporate Affairs (“MCA”) and Securities and Exchange Board of India (“SEBI”) have vide various circulars, allowed companies

- i. to send the annual reports to shareholders who have registered their email ID with the Company / Depositories only on email; and

- ii. to hold Annual General Meeting (“AGM”) through VC or OAVM without the physical presence of members at a common venue. Hence, in accordance with these Circulars, the 41st AGM of the Members of the Company is being held through VC / OAVM. The venue of the Meeting shall be deemed to be the registered office of the Company. The detailed procedure for participating in the meeting through VC / OAVM is annexed herewith and available at the Company’s website www.bodhtree.com.

In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), MCA Circulars and SEBI Circular, the Meeting of the Company is being held through VC / OAVM (hereinafter referred to as “AGM” or “e-AGM”). In accordance with the Secretarial Standard-2 on General Meeting issued by the Institute of Company Secretaries of India (ICSI) read with Guidance/Clarification dated April, 15, 2020 issued by ICSI, the proceedings of the AGM shall be deemed to be conducted at the Registered Office of the Company which shall be the deemed Venue of the e-AGM.

3. An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 relating to the Special Businesses to be transacted at the AGM is annexed hereto.
4. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate there at and cast their votes through e-voting.
5. Pursuant to MCA Circulars and SEBI Circular, the AGM will be held through VC/OAVM and the physical attendance of Members in any case has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the Meeting and hence the Proxy Form is not annexed to this Notice.
6. Pursuant to Section 113 of the Act representatives of Corporate Members may be appointed for the purpose of voting through remote e-voting or for participation and voting in the Meeting to be conducted through VC/ OAVM. Corporate Members intending to attend the Meeting through their authorised representatives are requested to send a Certified True Copy of the Board Resolution and Power of Attorney, (PDF/ JPG Format) if any, authorizing its representative to attend and vote on their behalf at the Meeting. The said Resolution/Authorisation shall be sent to the Company by email through its registered email address, i.e. cosecy@bodhtree.com, which shall reach us at least 7 days before the scheduled date of AGM.
7. Since the AGM will be held through VC / OAVM, the route map of the venue of the Meeting is not annexed hereto.
8. Members attending the Meeting through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.

9. The International Securities Identification Number (ISIN) allotted to the Company's equity shares is **INE104F01011**. Trading in the equity shares of the Company through Stock Exchanges was made compulsory in dematerialized form. **EXPLANATORY STATEMENT
(PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013)**

As per the provisions of Sec 102 of the Companies Act, 2013 the following explanatory statement sets out all material facts relating to the business mentioned under Item No. 3 of the above notice:

Item No. 3

The Securities and Exchange Board of India (“SEBI”), vide its notification dated November 9, 2021, has Notified SEBI (Listing Obligations and Disclosure Requirements) (Sixth Amendment) Regulations, 2021 (“Amendments”) introducing amendments to the provisions pertaining to the Related Party Transactions under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”). The aforesaid amendments inter-alia included replacing of current threshold i.e 10% (ten percent) of the listed entity’s consolidated turnover, for determination of material Related Party Transactions requiring prior Shareholders’ approval with the threshold of lower of ₹1,000 crore (Rupees One thousand crore) or 10% (ten percent) of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity. Accordingly, the threshold for determination of material Related Party Transactions under Regulation 23(1) of the SEBI Listing Regulations has been reduced with effect from April 1, 2022. In view of the changes in the threshold for determining the related party transactions that require prior shareholder approval and considering the fact that the list of related parties will change dynamically with no action on the part of the Company and to facilitate seamless contracting and rendering/availing of services between the Company and “related parties”, the Company seeks the approval of the shareholders to approve entering into material contracts / arrangements with the related parties which were approved by Audit Committee.

None of the Directors/Key Managerial Personnel of the Company or their relatives except Mr. L N Ramakrishna are concerned or interested, financially or otherwise in the resolution set out at the item No 3 of the Notice.

The Board recommends the resolution as an Ordinary Resolution for approval of the Members

MANAGEMENT REPLIES TO QUALIFIED OPINION BY THE STATUTORY AUDITORS

1. Property, Plant & Equipment (Rs.92.87 lakh), Intangible assets (Rs.97.86 lakh) and Intangible Assets under Development (Rs.2583.37 lakh) as stated in the financial for the year 2022-23. Auditor observed that Impairment of Assets as per Ind AS 36, the management is required to make an assessment of impairment of carrying value of the assets.

Under the provisions of Insolvency & Bankruptcy Code, 2016, the powers of the Management rests with the Interim Resolution Professional / Resolution Professional from the date of admission of the Company under Corporate Insolvency Resolution Process from 20/02/2023 as per the orders pronounced by the Hon'ble NCLT, Hyderabad Bench. It is the wrong admission by the Statutory Auditor to assume that the uncertainty of resumption of operations of the Company. The object of the Code is see that the Company revives under the new management. The Resolution Professional has received a Resolution Plan and the same was approved by the

Committee of Creditors by 100% voting in favour of the said Plan. The Plan will be effective once the Hon'ble NCLT gives its approval for the said Plan.

2. The Auditor observed that recovery of dues from the Trade Receivables amounting to Rs.63.27 Crore as the uncertainty looms over the operations of the Company. As stated in the reply to the point No.1, since there is no uncertainty in continuing the operations, there is every possibility of the recovery of the above said outstanding amounts. One M/s Bodhtree Consulting LLC, USA has given an assurance in writing that they will be making the outstanding payment of Rs.18.86 Cr during the coming three years, as they have suffered heavy losses. The payment may be started from the month of September 2023. The same way, Wilmer Technologies INC has also confirmed also that they will be making the payment in due course starting from September 2023.
3. The Auditor observed that the Company services has drastically reduced from the January, 2023 and incurred heavy loss of Rs.26.25 Cr during the year ended 31st March, 2023 and stated that existence of material uncertainty to continue the operations. As stated, above management replies, the Auditor has not applied his intelligence in understanding the Corporate Insolvency Resolution Process of the Company. The operations have come down basically the clients show concerns about the execution of the orders and downtrend in the IT markets of USA. It was stated that the work executed by the Company during the year 2022-23 were not acceptable to the clients in USA and the Company needed to do the same work multiple times, which resulted in heavy losses in the history of the Company. This was also the main reason not getting back the receivable outstanding from the Bodhtree Consulting LLC, USA. The present management in consultation with the Resolution Professional has started the marking of their expertise and the operations will be to the peak from the December, 2023 and improvement will be there from this month onwards.
4. Other opinions of the Auditor are related to advances outstanding and payments made to software technical fees etc are related to the operations and Board is taking care of the same in their regular Board meeting and giving directions for suitable measures.
5. Auditor further made an opinion that the claims received by the Interim Resolution Professional / Resolution Professional have not been reconciled with the Books of Accounts of the Company. The Interim Resolution Professional has verified all the claims received with the books of accounts and evidence submitted by the claimant. The Auditor is no role to comment on the same.

Change in Statutory Auditors

M/s. NSVR & Associates LLP, Chartered Accountants have tendered their resignation vide resignation letter dated 13.08.2022 due to their preoccupations. The Board has taken note of the same vide Board Meeting dated 29.08.2022 and had recommended to appoint M/s. Bodhtree Consulting Limited**INDEPENDENT AUDITOR'S REPORT**

To
The Members of
M/s. BODHTREE CONSULTING LIMITED

Report on the Audit of the Standalone Financial Statements**Qualified Opinion**

We were engaged to audit the accompanying Standalone financial statements of BODHTREE CONSULTING LIMITED ("the Company"), which comprise the Balance Sheet as at 31 March 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph below, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Standalone State of affairs of the Organisation, as at 31st March, 2023, and its Standalone profit/loss, Standalone Changes in Equity and its Standalone cash flows for the year ended on that date.

Basis for Qualified Opinion

(I) As referred in Note 2.6 to the financial statements, as at 31 March 2023, the carrying value of the Company's Property, Plant and Equipment (PPE), Intangible Assets and Intangible Assets under Development are Rs. 92.87 lacs, Rs.97.86 lacs and Rs.2,583 lacs respectively. In accordance with Ind AS 36 "Impairment of Assets", in view of the uncertainty of resumption of the Company's operations, the Management is required to make an assessment of impairment to the carrying value of its assets.

(II) We refer to Note 2.17 to the financial statements. As stated in the Note, the Company has trade receivables amounting to Rs.6,327 lacs (approximately) as at 31 March 2023, (of which Rs.31.48 lacs has been recovered / adjusted subsequently until the date of this report). In view of suspension of operations, uncertainty of resumption of future operations and absence of confirmations as at the year end from majority of parties, we have not been able to obtain sufficient appropriate audit evidence regarding the recoverability of the balance trade receivables of Rs.2,248 lacs (approximately) and therefore are unable to conclude on the reasonableness of the carrying value of the trade receivables and the consequential effects, if any, on the financial statements. We would also like to state that a debtor (related to export of services) who owes Rs.2,181 lacs approximately and another debtor who owes Rs.1,886 lacs has provided explanation to the external confirmations sent by us that the entire amount is

Bodhtree Consulting Limited

Withheld. However management is of the opinion that the amount will be recovered and has not made any effect regarding the same in its financial statements.

(III) We draw attention to Note 2.38 to the financial statements, which indicates that the Company's Services has been drastically reduced since January 2023, the Company has incurred a **net loss** of Rs.2,625 lacs (approximately) during the year ended 31 March 2023, this indicates existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going-concern.

However as per the informations and explanation given by the management, the Company has received have positive indications of its revival by December 2023.

(IV) In respect of Company's Borrowings from Banks and Financial Institutions (including NBFCs) aggregating to Rs.806.194 Lacs and Bank Balances (Current Accounts) aggregating to Rs.128.59 Lacs, independent Balance Confirmations as at 31st March, 2023 have not been received.

(V) The Company has given Advances for Supplies/Services and the amount outstanding there as at 31st March, 2023 was Rs.161.93Lacs which was brought forward from earlier year without any adjustments of the same in the current year. We have been unable to obtain sufficient appropriate audit evidence regarding certain aspects of the aforesaid Advances viz. Ageing analysis and the basis on which the same will be adjusted in subsequent period. Hence, we are unable to comment on the aforesaid advances and it is not practicable to quantify the financial effects of the same, if any, on the Standalone Financial Statements.

(VI) (a) In regards to the payment towards software technical fees to its consultants, we have noted that the total payments made during the year amounted to the tune of Rs.5,825 lacs which is approximately 1.5 times the revenue from operations, however based on the informations and explanations provided by the management, the additional expenditure has been incurred due to rework of contracts as per the terms of agreement and applicable laws & regulations in the country where services are exported.

(b) In respect of the agreements entered with technical consultants, the deliverables of the consultants, their execution of the contract, their roles and responsibilities and their payment terms and conditions were not clearly defined and we have observed that KYC details were also not maintained properly. Hence, we are of the opinion that the internal controls relating to the same needs to be strengthened.

(VII) In respect of bad debts written off during the year amounting to Rs.54.78 lacs (approximately) with regards to export services, the documentary evidence demonstrating follow-up for recovery, legal action and other communication and board approvals were insufficient due to which, we are not able to form an opinion.

(VIII) In respect of recognition of revenue as per Ind As 115, the Organization has to enter into contract with its customers, the parties to the contract must have approved the contract (in writing, orally or in accordance with customary business practices) and are committed to perform their respective obligations;

The Enforceability of the rights and obligations in a contract is a matter of law, contracts can be written, oral or implied by an entities customary business practices. The practices and processes for establishing contracts with customers vary across legal jurisdictions, industries and entities. In addition they may vary within an entity (for example. they may depend on the class of customer or the nature of the promised goods or services).

Bodhtree Consulting Limited

We have been provided majority of contracts the organization has entered into during the year under audit for verification of compliance with Ind As 115 by the management, however few contracts are yet to be provided, therefore we have not been able to obtain sufficient appropriate audit evidence regarding the management compliance with Ind As 115 for the few contracts which are not provided, due to which we are unable to quantify its effects on the financial statements.

(IX) As a part of Corporate Insolvency Resolution Process (CIRP), Creditors were called upon to submit their claims. Till the date of our signing of the Standalone Financial Statements, claims submitted by Creditors have not been reconciled with the books of accounts of the Company. Pending such reconciliation and final outcome of the CIRP, no accounting impact in the books of accounts has been made in respect of excess, short or non-receipts of claims for operational and Financial Creditors. Hence, it is not practicable to quantify the Financial Impact of the same, if any, on the Standalone Financial Statements

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significant in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole and in forming of our Opinion. We have nothing to report in this regard.

Material Uncertainty Related to Going Concern

We draw attention to Note No 2.38. to the Standalone Financial Statements which indicates that due to the events or conditions as mentioned in the said Note, material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern and, therefore, it may be unable to realize its assets and discharge its liabilities in the normal course of business. However, the Standalone Financial Statements have been prepared on a going concern basis.

Management's / Resolution Professional's Responsibility for the Financial Statements

In accordance with the Code, the Honorable National Company Law Tribunal, Hyderabad Bench I ("NCLT") on 20 February 2023 admitted Corporate Insolvency Resolution Process application against the Company and appointed an Interim Resolution Professional. Subsequently, Resolution Professional was appointed by the Committee of Creditors on 31 March 2023. However, the Committee of Creditors have expressed dissatisfaction on the working of Resolution Professional thereby replacing the resolution professional following due process and through NCLT order. In view of the pendency of the CIRP process, the powers of the Board of Directors were suspended and shall vest with the Resolution Professional ("RP") under the provisions of the Code.

The Company's Management / Resolution Professional is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for

Bodhtree Consulting Limited

preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the Standalone financial statements, the resolution professional is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Resolution professional intends either to liquidate the company or cease operations, or has no realistic alternative but to do so.

The Board is professional is responsible for overseeing the Company's Financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements

Bodhtree Consulting Limited

or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Information other than the financial statements and Auditor's Report thereon

The Company's Board of Directors/ Resolution Professional are responsible for the other information. The other information comprises the information included in the annual report, for example, Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone financial statements and our auditor's report thereon. The other information as stated above is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information as stated above, if we conclude that there is a material

Bodhtree Consulting Limited

misstatement therein, we are required to communicate the matter to those charged with Governance.

Report on Other Legal and Regulatory Requirements

e) The matters described in the Basis for Qualified Opinion section above in our opinion, may have adverse effect on the functioning of the Company.

f) On the basis of the written representations received from the directors as on 31 March 2023 taken on record by the Board of Directors/ Resolution Professional, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164 (2) of the Act.

g) The reservation relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion section above.

h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses adverse opinion on the Company's internal financial controls over financial reporting for the reasons stated therein.

i) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

j) With respect to the other matters to be included in the Auditor's Report in accordance with

Bodhtree Consulting Limited

Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
- ii. The Company has made provisions for long term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure 'A' to the Independent Auditor's Report

[Referred to in Paragraph (2)h under 'Report on Other Legal and Regulatory Requirements' in our Independent Auditor's Report of even date, to the Members of the Company on the Standalone Financial Statements for the year ended 31st March, 2023]

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub - section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls over Financial Reporting of the Company as of 31st March, 2023 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board is responsible for establishing and maintaining Internal Financial Controls, based on the Internal Control with reference to Financial Statements criteria established by the Company, considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls, that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its Assets, the prevention and detection of frauds and errors, the accuracy and completeness of the Accounting Records and the timely preparation of reliable Financial Information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of Internal Financial Controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls with reference to Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls with reference to Financial Statements and their Operating Effectiveness. Our audit of Internal Financial Controls with reference to Financial Statements included obtaining in understanding of Internal Financial Controls with reference to Financial

Bodhtree Consulting Limited

Statements, assessing the risk that a material weakness exists and testing and evaluating the design and Operating Effectiveness of Internal Control based on the assessed risk. The procedures selected depend on the Auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our Qualified Audit Opinion on the Company's Internal Financial Controls with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's Internal Financial Control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of Financial Reporting and the preparation of Financial Statements for external purposes in accordance with Generally Accepted Accounting Principles. A Company's Internal Financial Control with reference to Financial Statements includes those Policies and Procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the Assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with Generally Accepted Accounting Principles and that Receipts and Expenditures of the Company are being made only in accordance with authorisations of Management and Directors/Resolution Professional of the Company; and (3) provide reasonable assurance regarding prevention of timely detection of unauthorised acquisition, use or disposition of the Company's Assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the Inherent Limitations of Internal Financial Controls with reference to Financial Statements, including the possibility of collusion or Improper Management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the Internal Financial Controls with reference to Financial Statements to future periods are subject to the risk that the Internal Financial Controls with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the Policies or Procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the Operating Effectiveness of the Company's Internal Financial Control with reference to Financial Statements as at 31st March, 2023:

- a) Deficiencies in documentation in relation to Borrowings [fully described in point (V) under 'Basis for Qualified Opinion' section of our Independent Auditor's Report on the Standalone Financial Statements of the Company for the year ended 31st March, 2023];
- b) Ageing Analysis etc. Pertaining to Advances given for Supplies/Services [fully described in point (VI) under 'Basis for Qualified Opinion' section of our Independent Auditor's Report on the Standalone Financial Statements of the Company for the year ended 31st March, 2023];
- c) Omission to get Impairment Assessment done in respect of certain Tangible and Intangible Assets and in obtaining Fair Valuation of a Non-Current Investment, [fully described in point

Bodhtree Consulting Limited

(I) respectively], under 'Basis for Qualified Opinion' section of our Independent Auditor's Report on the Standalone Financial Statements of the Company for the year ended 31st March, 2023];

d)Considering the nature of Company's business involving multiple operating locations and the risks involved, during our course of audit, we have not come across any Risk & Control Matrix, identifying major risks impacting on Standalone Financial Statements of the Company and building an appropriate control framework to combat such risks. Hence, we are unable to comment on the accuracy and fairness of the numbers reported and disclosures made in Financial Statements.

A 'Material Weakness' is a deficiency, or a combination of deficiencies, in Internal Financial Controls with reference to Financial Statements, such that there is a reasonable possibility that a material misstatement of the Company's Annual or Interim Financial Statements will not be prevented or detected on a timely basis.

In our Opinion, the Company has, in all material respects, maintained adequate Internal Financial controls with reference to Financial Statements as of 31st March, 2023, based on the internal control with reference to Financial Statements criteria established by the Company considering the essential components of Internal Control stated in the Guidance Note issued by the ICAI, an except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company's Internal Financial Controls with reference to Financial Statements were operating effectively as of 31st March, 2023.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our Audit of the Standalone Financial Statements of the Company for the year ended 31st March, 2023, and these material weaknesses have affected our opinion on the Standalone Financial Statements and we have issued a Qualified Opinion on the Standalone Financial Statements of the Company.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **BODHTREE CONSULTING LIMITED** of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. In respect of the Company's Property, Plant and Equipment:
 - (a) The Company has maintained records showing full particulars, including quantitative details and situation of Property, Plant and Equipment. However certain recordings are under process.
 - (b) The Companies records showing full particulars of Intangible Assets, and Intangible Assets under Development has few shortfalls which are in the process of rectification as per the information's and explanation provided to us by the management.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant, and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - (d) The Company doesn't own any immovable property, hence reporting under this Clause is not applicable.

NOTES TO STANDALONE FINANCIAL STATEMENTS**DESCRIPTION OF THE COMPANY AND SIGNIFICANT ACCOUNTING POLICIES****1. General Information**

Bodhtree consulting Ltd (“the Holding company”) and its subsidiaries (together “the group”) are engaged in the IT and IT enabling services (ITES) provider. The company has business operations mainly in India and USA. The company is a public limited company incorporated And domicile in India and has its registered office at Mélange towers, Patrikanagar, Madhapur, Hitech city Hyderabad TG 500081 IN. The company has its primary listings on the Bombay Stock Exchange and National Stock Exchange in India. The principle accounting policies applied in the preparation of financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

In accordance with the Insolvency and Bankruptcy Code, the Honorable National Company Law Tribunal, Hyderabad Bench I (“NCLT”) on 20 February 2023 admitted Corporate Insolvency Resolution Process application against the Company and appointed an Interim Resolution Professional. Subsequently, Resolution Professional was appointed by the Committee of Creditors on 31 March 2023. However, the Committee of Creditors have expressed dissatisfaction on the working of Resolution Professional thereby replacing the resolution professional following due process and through NCLT order. In view of the pendency of the CIRP process, the power and responsibilities of the Board of Directors were suspended and shall vest with the Resolution Professional (“RP”) who is appointed by the Committee of Creditors.

2. Summary of Significant Accounting Policies**2.1 Basis of preparation and presentation of Financial Statements**

The financial statements of Bodhtree Consulting Ltd (“BCL” or “the company”) have been prepared and presented in accordance with the Indian Accounting Standards (“Ind AS”) notified under the Companies (Indian Accounting Standards) Rules 2015, as amended and as per other relevant provisions of the Act. The presentation of financial statements is based upon IND AS and Schedule III of Companies Act, 2013.

2.2 Basis of Measurement

These financial statements have been prepared on the historical cost convention and on an accrual basis, except for the following material items in the balance sheet:

- a. Derivative financial instruments are measured at fair value.
- b. Certain financial assets are measured either at fair value or at amortized cost depending on the classification;
- c. Employee defined benefit assets/(liability) are recognized as the net total of the fair value of plan assets, plus actuarial losses, less actuarial gains and the present value of the defined benefit obligation, and
- d. Long-term borrowings are measured at amortized cost using the effective interest rate method.

All assets and liabilities are classified into current and non-current based on the operating cycle of less than twelve months or based on the criteria of realization/settlement within twelve months period from the balance sheet date.

2.3 Use of estimates and judgment

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, the areas involving critical estimates or Judgment are:

a. Depreciation and amortization

Depreciation and amortization is based on management estimates of the future useful lives of certain class of property, plant and equipment and intangible assets.

b. Employee Benefits

The present value of the employee benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) includes the discount rate, wage escalation and employee attrition. The discount rate is based on the prevailing market yields of Indian Government Securities as at the balance sheet date for the estimated term of the obligations.

c. Provision and contingencies

Provisions and contingencies are based on the Management's best estimate of the liabilities based on the facts known at the balance sheet date.

d. Fair valuation

Fair value is the market based measurement of observable market transaction or available market information. All financial instruments are measured at fair value as at the balance sheet date, as provided in Ind AS 109 and 113. Being a critical estimate, judgment is exercised to determine the carrying values. The fair value of financial instruments that are unlisted and not traded in an active market is determined at fair values assessed based on recent transactions entered into with third parties, based on valuation done by external appraisers etc.

e. Functional and presentation currency

These financial statements are presented in Indian rupees, which is also the functional currency of the Company. All financial information presented in Indian rupees has been rounded to the nearest rupees.

2.4 Current and Non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

All the assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1, presentation of financial statements.

Assets: An asset is classified as current when it satisfies any of the following criteria:

- a. It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. It is expected to be realized within twelve months after the reporting date; or
- d. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities: A liability is classified as current when it satisfies any of the following criteria:

- a. It is expected to be settled in the Company's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. It is due to be settled within twelve months after the reporting date; or
- d. The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counter party, result in its settlement by the issue of equity instruments do not affect its classification

Current assets/ liabilities include the current portion of noncurrent assets/ liabilities respectively. All other assets/ liabilities are classified as noncurrent. Deferred tax assets and liabilities are always disclosed as non- current.

2.5 Foreign Currency Transaction

Transactions in foreign currencies are translated to the respective functional currencies of entities within the Company at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognized in the statement of profit and loss in the period in which they arise.

2.6 Property Plant & Equipment

Recognition and measurement

Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment loss, if any. Cost includes expenditures that are directly attributable to the acquisition of the asset i.e., freight, duties and taxes applicable and other expenses related to acquisition and installation. The cost of self-constructed assets includes the cost of materials and other costs directly attributable to bringing the asset to a working condition for its intended use. Borrowing costs that are directly attributable to the construction or production of a qualifying asset are capitalized as part of the cost of that asset.

Directly attributable costs include:

- a. Cost of Employee Benefits arising directly from Construction or acquisition of PPE.
- b. Cost of Site Preparation.
- c. Initial Delivery & Handling costs.
- d. Professional Fees and
- e. Costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling any item produced while bringing the asset to that location and condition (such as samples produced when testing equipment).

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses upon disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognized net within the statement of profit and loss.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part will be derecognized. The costs of repairs and maintenance are recognized in the statement of profit and loss as incurred.

Items of property, plant and equipment acquired through exchange of non-monetary assets are measured at fair value, unless the exchange transaction lacks commercial substance or the fair value of either the asset received or asset given up is not reliably measurable, in which case the asset exchanged is recorded at the carrying amount of the asset given up.

Depreciation

Depreciation is recognized in the statement of profit and loss on a straight line basis over the estimated useful lives of property, plant and equipment based on the Companies Act, 2013 ("Schedule II"), which prescribes the useful lives for various classes of tangible assets. For assets acquired or disposed off during the year, depreciation is provided on pro rata basis. Land is not depreciated.

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted prospectively, if appropriate.

The estimated useful lives are as follows:

Type of Asset	Estimated useful life in years
Audio & Video systems	2
Electrical items	10
AC'S/UPS/Stabilizers	5
Vehicles	8
Computers	3
Office Equipment	5
Furniture & Fixtures	10

Advances paid towards the acquisition of property, plant and equipment outstanding at each reporting date is disclosed as capital advances under other noncurrent assets. The cost of property, plant and equipment not ready to use before such date are disclosed under capital work-in-progress. Assets not ready for use are not depreciated.

Company assesses at each balance sheet date, whether there is objective evidence that an asset or a group of assets is impaired. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Recoverable amount is higher of the value in use or fair value less cost to sell.

2.7 Intangible assets

Acquired computer software is capitalized on the basis of the costs incurred to acquire and bring to use the specific software. The Intangible assets that are acquired by the Company and that have finite useful lives are measured at cost less accumulated amortization and accumulated impairment losses.

Amortization

Amortization is recognized in the statement of profit and loss on a straight-line basis over the estimated useful lives of intangible assets or on any other basis that reflects the pattern in which the asset's future economic benefit are expected to be consumed by the entity. Intangible assets that are not available for use are amortized from the date they are available for use. The estimated useful lives are as follows:

Type of Asset	Estimated useful life
Intangible Assets	
Computer Software	3

The amortization period and the amortization method for intangible assets with a finite useful life are reviewed at each reporting date.

2.8 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a. Financial assets

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

Debt instrument at FVTPL

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss. The Company has not designated any debt instrument as at FVTPL.

Investment in Preference Shares and Unquoted trade Investments

Investment in Preference Shares and Unquoted trade Investments are measured at amortized cost using Effective Rate of Return (EIR).

Investment in equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to the statement of profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Investments in subsidiaries

Investments in subsidiaries are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the statement of profit and loss

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e., removed from the Company's balance sheet) when:

- a. The rights to receive cash flows from the asset have expired, or
- b. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Impairment of trade receivables

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18. As company trade receivables are realized within normal credit period adopted by the company, hence the company trade receivables are not impaired except for certain customers for which adequate provision has been made on the same.

b. Financial liabilities**Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value i.e., loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in the statement of profit and loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

2.9 Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For goodwill and intangible assets that have indefinite lives or that are not yet available for use, an impairment test is performed each year on March 31.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash-generating unit. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflow of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognized in the statement of profit and loss if the estimated recoverable amount of an asset or its cash-generating unit is lower than its carrying amount. Impairment losses recognized in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to the units and then to reduce the carrying amount of the other assets in the unit on a pro-rata basis.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

2.10 Cash & Cash Equivalents

Cash and bank balances comprise of cash balance in hand, in current accounts with banks, demand deposit, short-term deposits, Margin Money deposits and unclaimed dividend accounts. For this purpose, "short-term" means investments having maturity of three months

or less from the date of investment. Bank overdrafts that are repayable on demand and form an integral part of our cash management are included as a component of cash and cash equivalents for the purpose of the statement of cash flows. The Margin money deposits, balance in dividend accounts which are not due and unclaimed dividend balances shall be disclosed as restricted cash balances.

2.11 Employee Benefits

a. Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

b. Defined Contribution Plan

The Company's contributions to defined contribution plans are charged to the statement of profit and loss as and when the services are received from the employees.

c. Defined Benefit Plans

The liability in respect of defined benefit plans and other post-employment benefits is calculated using the projected unit credit method consistent with the advice of qualified actuaries. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates based on prevailing market yields of Indian Government Bonds and that have terms to maturity approximating to the terms of the related defined benefit obligation. The current service cost of the defined benefit plan, recognized in the statement of profit and loss in employee benefit expense, reflects the increase in the defined benefit obligation resulting from employee service in the current year, benefit changes, curtailments and settlements. Past service costs are recognized immediately in income. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise.

d. Termination benefits

Termination benefits are recognized as an expense when the Company is demonstrably committed, without realistic possibility of withdrawal, to a formal detailed plan to either terminate employment before the normal retirement date, or to provide termination benefits as a result of an offer made to encourage voluntary redundancy. Termination benefits for voluntary redundancies are recognized as an expense if the Company has made an offer encouraging voluntary redundancy, it is probable that the offer will be accepted, and the number of acceptances can be estimated reliably.

e. Other long-term employee benefits

The Company's net obligation in respect of other long term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and previous periods. That benefit is discounted to determine its present value. Re-measurements are recognized in the statement of profit and loss in the period in which they arise.

2.12 Provisions, contingent liabilities and contingent assets***Provisions***

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

2.13 Revenue Recognition**Sale of goods and services**

Revenue is recognized when the Company substantially satisfied its performance obligation while transferring a promised good or service to its customers. The company considers the terms of the contract and its customary business practices to determine the transaction price. Performance obligations are satisfied at the point of time when the customer obtains controls of the asset.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognized based on the price specified in the contract, net of the estimated sales incentives / discounts. Accumulated experience is used to estimate and provide for the discounts/ right of return, using the expected value method.

Unbilled revenue represents amounts recognized based on services performed in advance of billings in accordance with contract terms and is net of estimated allowances for uncertainties and provision for estimated losses. Revenues from annual maintenance contracts are recognized pro-rata over the period of the contract in which the services are rendered.

Revenue from sale of licenses, hardware and other related items are recognized when the significant risk and rewards of ownership and title of the product is transferred to the buyer which generally coincides with acknowledgement of delivery. The value of sale is net of taxes.

Other Income

Interest Income

Interest Income mainly comprises of interest on Margin money deposit with banks relating to bank guarantee. Interest income should be recorded using the effective interest rate (EIR). However, the amount of margin money deposits relating to bank guarantee are purely current in nature, hence effective interest rate has not been applied. Interest is recognized using the time-proportion method, based on rates implicit in the transactions.

2.14 Borrowing Costs

Borrowing costs consist of interest, ancillary and other costs that the Company incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Borrowing cost also include Exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

2.15 Tax Expenses

Tax expense consists of current and deferred tax.

Income Tax

Income tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in equity.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred Tax

Deferred tax is recognized using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

2.16 Earnings per Share

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

2.17 Trade receivables

Trade receivables are initially recognized at fair value and subsequently measured at amortized cost using effective interest method, less provision for impairment, if any.

Amount in Rs.			
	Particulars	As At 31st March, 2023	As At 31st March, 2022
	Receivables considered good – Secured	-	-
	Receivables considered good –UnSecured	63,27,39,785	1,02,05,43,104
	Provision for Bad & Doubtful Debts	(54,78,305)	(12,55,46,726)
	Total	62,72,61,480	89,49,96,378

2.18 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method.

Fair value which is determined for disclosure purposes is calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date. For finance leases the market rate of interest is determined by reference to

similar lease agreements. In respect of the company's borrowings that floating rates of interest, their fair value approximates carrying value.

(a) Depreciation and amortization

Depreciation and amortization are based on management estimates of the future use full lives of the property, plant and equipment and intangible assets. Estimates may change due to technological developments, competition, changes in the market conditions and other factors and may result in changes in the estimated useful life and may result in changes in the estimated useful life and the depreciation and amortization charges.

(b)Employee benefits

The present value of the defined benefit obligations depends on a number of factors that are determined on an accrual basis using various assumptions. The assumptions used in determining the net cost/ (income) includes the discount rate, wage escalation and employee attrition. Any changes in these assumptions will impact the carrying amount of obligations. The discount rate is based on the prevailing market yields of Indian government securities as at the balance sheet date for the estimated term of the obligations.

(c)Trade receivables

The credit worthiness of Trade receivables and the credit terms set are determined on a case to case basis and the management has factored in the uncertainties arising out of Covid -19, as applicable. Based on other internal and external sources of information as determined by the management, the company expects to fully recover the carrying amount of trade receivables except from certain customers and the company had made the adequate provision on the same.

The fair value of Trade receivables are not considered to be significantly different from their carrying values, given their generally short period to maturity, with impairment reviews considered on an individual basis rather than when these become over due.

2.38 Other Relevant Information

The Company has incurred a net loss of Rs (26,25,13,165)/ - during the year ended 31 March 2023 and, as of that date, this indicates existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going-concern and, therefore, that it may be unable to realise its assets and discharge its liabilities in the normal course of business, however management is of the opinion that company will revive by December 2023.

Subsequent to a petition filed by operational creditor in year end , in accordance with the Code, the Honorable National Company Law Tribunal, Hyderabad Bench I ("NCLT") on 20 February 2023 admitted Corporate Insolvency Resolution Process application against the Company and appointed an Interim Resolution Professional. Subsequently, Resolution Professional was appointed by the

Bodhtree Consulting Limited

Committee of Creditors on 31 March 2023. However, the Committee of Creditors have expressed dissatisfaction on the working of Resolution Professional thereby replacing the resolution professional following due process and through NCLT order. In view of the pendency of the CIRP process, the power and responsibilities of the Board of Directors were suspended and shall vest with the Resolution Professional ("RP") under the provisions of the Code.

In accordance with the CIRP, the IRP had published brief particulars of invitation for expression of Interest from prospective Resolution applicants to submit resolution plan and invited Resolution Plans therefore. The IRP has received responses from certain parties who have submitted their respective resolution plans and the same will now be examined by the RP. Thereafter, the Resolution plans will be submitted to COC for their approval. The plan, as approved by the COC shall be submitted to NCLT for approval in accordance with section 20 of the Code. The RP is taking necessary action as required under the said section to keep the Company as going concern. In view of the above, these Financial Statements have been prepared on going concern basis.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
M/s.BODHTREE CONSULTING LIMITED

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We were engaged to audit the accompanying Consolidated financial statements of BODHTREE CONSULTING LIMITED ("the Company"), which comprise the Balance Sheet as at 31 March 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph below, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated State of affairs of the Organisation, as at 31st March, 2023, and its Consolidated profit/loss, Consolidated Changes in Equity and its Consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

(I) As referred in Note 2.6 to the financial statements, as at 31 March 2023, the carrying value of the Company's Property, Plant and Equipment (PPE), Intangible Assets and Intangible Assets under Development are Rs. 92.87 lacs, Rs.97.86 lacs and Rs.2,583 lacs respectively. In accordance with Ind AS 36 "Impairment of Assets", in view of the uncertainty of resumption of the Company's operations, the Management is required to make an assessment of impairment to the carrying value of its assets.

(II) We refer to Note 2.17 to the financial statements. As stated in the Note, the Company has trade receivables amounting to Rs.6,416 lacs (approximately) as at 31 March 2023, (of which Rs.31.48 lacs has been recovered / adjusted subsequently until the date of this report). In view of suspension of operations, uncertainty of resumption of future operations and absence of confirmations as at the year end from majority of parties, we have not been able to obtain sufficient appropriate audit evidence regarding the recoverability of the balance trade receivables of Rs.2,348 lacs (approximately) and therefore are unable to conclude on the reasonableness of the carrying value of the trade receivables and the consequential effects, if any, on the financial statements. We would also like to state that a debtor (related to export of services) who owes Rs.2,181 lacs approximately and another debtor who owes Rs.1,886 lacs has provided explanation to the external confirmations sent by us that the entire amount is withheld. However management is of the opinion that the amount will be recovered and has not made any effect regarding the same in its financial statements.

(III) We draw attention to Note 2.38 to the financial statements, which indicates that the Company's Services has been drastically reduced since January 2023, the Company has incurred a **net loss** of Rs.2,659 lacs (approximately) during the year ended 31 March 2023, this indicates existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going-concern.

However as per the informations and explanation given by the management, the Company has received have positive indications of its revival by December 2023.

Bodhtree Consulting Limited

(IV) In respect of Company's Borrowings from Banks and Financial Institutions (including NBFCs) aggregating to Rs.806.194 Lacs and Bank Balances (Current Accounts) aggregating to Rs.128.71 Lacs, independent Balance Confirmations as at 31st March, 2023 have not been received.

(V) The Company has given Advances for Supplies/Services and the amount outstanding there as at 31st March, 2023 was Rs.161.93Lacs which was brought forward from earlier year without any adjustments of the same in the current year. We have been unable to obtain sufficient appropriate audit evidence regarding certain aspects of the aforesaid Advances viz. Ageing analysis and the basis on which the same will be adjusted in subsequent period. Hence, we are unable to comment on the aforesaid advances and it is not practicable to quantify the financial effects of the same, if any, on the Consolidated Financial Statements.

(VI) (a) In regards to the payment towards software technical fees to its consultants, we have noted that the total payments made during the year amounted to the tune of Rs.5,825 lacs which is approximately 1.5 times the revenue from operations, however based on the informations and explanations provided by the management, the additional expenditure has been incurred due to rework of contracts as per the terms of agreement and applicable laws & regulations in the country where services are exported.

(b) In respect of the agreements entered with technical consultants, the deliverables of the consultants, their execution of the contract, their roles and responsibilities and their payment terms and conditions were not clearly defined and we have observed that KYC details were also not maintained properly. Hence, we are of the opinion that the internal controls relating to the same needs to be strengthened.

(VII) In respect of bad debts written off during the year amounting to Rs.198 lacs (approximately) with regards to export services, the documentary evidence demonstrating follow-up for recovery, legal action and other communication and board approvals were insufficient due to which, we are not able to form an opinion.

(VIII) In respect of recognition of revenue as per Ind As 115, the Organisation has to enter into contract with its customers, the parties to the contract must have approved the contract (in writing, orally or in accordance with customary business practices) and are committed to perform their respective obligations;

The Enforceability of the rights and obligations in a contract is a matter of law, contracts can be written, oral or implied by an entities customary business practices. The practices and processes for establishing contracts with customers vary across legal jurisdictions, industries and entities. In addition they may vary within an entity (for example they may depend on the class of customer or the nature of the promised goods or services).

We have been provided majority of contracts the organization has entered into during the year under audit for verification of compliance with Ind As 115 by the management, however few contracts are yet to be provided, therefore we have not been able to obtain sufficient appropriate audit evidence regarding the management compliance with Ind As 115 for the few contracts which are not provided, due to which we are unable to quantify its effects on the financial statements.

(IX) As a part of Corporate Insolvency Resolution Process (CIRP), Creditors were called upon to submit their claims. Till the date of our signing of the Consolidated Financial Statements, claims submitted by Creditors have not been reconciled with the books of accounts of the Company. Pending such reconciliation and final outcome of the CIRP, no accounting impact in

Bodhtree Consulting Limited

the books of accounts has been made in respect of excess, short or non-receipts of claims for operational and Financial Creditors. Hence, it is not practicable to quantify the Financial Impact of the same, if any, on the Consolidated Financial Statements

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significant in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole and in forming of our Opinion. We have nothing to report in this regard.

Material Uncertainty Related to Going Concern

We draw attention to Note No 2.38. to the Consolidated Financial Statements which indicates that due to the events or conditions as mentioned in the said Note, material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern and, therefore, it may be unable to realize its assets and discharge its liabilities in the normal course of business. However, the Consolidated Financial Statements have been prepared on a going concern basis.

Management's / Resolution Professional's Responsibility for the Financial Statements

In accordance with the Code, the Honorable National Company Law Tribunal, Hyderabad Bench I ("NCLT") on 20 February 2023 admitted Corporate Insolvency Resolution Process application against the Company and appointed an Interim Resolution Professional. Subsequently, Resolution Professional was appointed by the Committee of Creditors on 31 March 2023. However, the Committee of Creditors have expressed dissatisfaction on the working of Resolution Professional thereby replacing the resolution professional following due process and through NCLT order. In view of the pendency of the CIRP process, the powers of the Board of Directors were suspended and shall vest with the Resolution Professional ("RP") under the provisions of the Code.

The Company's Management / Resolution Professional is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the Consolidated financial statements, the resolution professional is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Resolution professional intends either to liquidate the company or cease operations, or has no realistic alternative but to do so.

The Board is professional is responsible for overseeing the Company's Financial reporting process.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence,

Bodhtree Consulting Limited

and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Information other than the financial statements and Auditor's Report thereon

The Company's Board of Directors/ Resolution Professional are responsible for the other information. The other information comprises the information included in the annual report, for example, Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial statements and our auditor's report thereon. The other information as stated above is expected to be made available to us after the date of this auditor's report.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information as stated above, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with Governance.

Annexure 'A' to the Independent Auditor's Report

[Referred to in Paragraph (2)h under 'Report on Other Legal and Regulatory Requirements' in our Independent Auditor's Report of even date, to the Members of the Company on the Consolidated Financial Statements for the year ended 31st March, 2023]

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub - section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls over Financial Reporting of the Company as of 31st March, 2023 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board is responsible for establishing and maintaining Internal Financial Controls, based on the Internal Control with reference to Financial Statements criteria established by the Company, considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls, that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its Assets, the prevention and detection of frauds and errors, the accuracy and completeness of the Accounting Records and the timely preparation of reliable Financial Information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of Internal Financial Controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls with reference to Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls with reference to Financial Statements and their Operating Effectiveness. Our audit of Internal Financial Controls with reference to Financial Statements included obtaining an understanding of Internal Financial Controls with reference to Financial Statements, assessing the risk that a material weakness exists and testing and evaluating the design and Operating Effectiveness of Internal Control based on the assessed risk. The procedures selected depend on the Auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our Qualified Audit Opinion on the Company's Internal Financial Controls with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's Internal Financial Control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of Financial Reporting and the preparation of Financial Statements for external purposes in accordance with Generally Accepted Accounting Principles. A Company's Internal Financial Control with reference to Financial Statements includes those Policies and Procedures that (1) pertain to the maintenance

Bodhtree Consulting Limited

of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the Assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with Generally Accepted Accounting Principles and that Receipts and Expenditures of the Company are being made only in accordance with authorisations of Management and Directors/Resolution Professional of the Company; and (3) provide reasonable assurance regarding prevention of timely detection of unauthorised acquisition, use or disposition of the Company's Assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the Inherent Limitations of Internal Financial Controls with reference to Financial Statements, including the possibility of collusion or Improper Management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the Internal Financial Controls with reference to Financial Statements to future periods are subject to the risk that the Internal Financial Controls with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the Policies or Procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the Operating Effectiveness of the Company's Internal Financial Control with reference to Financial Statements as at 31st March, 2023:

- a) Deficiencies in documentation in relation to Borrowings [fully described in point (V) under 'Basis for Qualified Opinion' section of our Independent Auditor's Report on the Consolidated Financial Statements of the Company for the year ended 31st March, 2023];
- b) Ageing Analysis etc. Pertaining to Advances given for Supplies/Services [fully described in point (VI) under 'Basis for Qualified Opinion' section of our Independent Auditor's Report on the Consolidated Financial Statements of the Company for the year ended 31st March, 2023];
- c) Omission to get Impairment Assessment done in respect of certain Tangible and Intangible Assets and in obtaining Fair Valuation of a Non-Current Investment, [fully described in point (I) respectively], under 'Basis for Qualified Opinion' section of our Independent Auditor's Report on the Consolidated Financial Statements of the Company for the year ended 31st March, 2023];
- d) Considering the nature of Company's business involving multiple operating locations and the risks involved, during our course of audit, we have not come across any Risk & Control Matrix, identifying major risks impacting on Consolidated Financial Statements of the Company and building an appropriate control framework to combat such risks. Hence, we are unable to comment on the accuracy and fairness of the numbers reported and disclosures made in Financial Statements.

A 'Material Weakness' is a deficiency, or a combination of deficiencies, in Internal Financial Controls with reference to Financial Statements, such that there is a reasonable possibility that a material misstatement of the Company's Annual or Interim Financial Statements will not be prevented or detected on a timely basis.

In our Opinion, the Company has, in all material respects, maintained adequate Internal Financial controls with reference to Financial Statements as of 31st March, 2023, based on the internal control with reference to Financial Statements criteria established by the Company considering the essential components of Internal Control stated in the Guidance Note issued by

Bodhtree Consulting Limited

the ICAI, an except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company's Internal Financial Controls with reference to Financial Statements were operating effectively as of 31st March, 2023.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our Audit of the Consolidated Financial Statements of the Company for the year ended 31st March, 2023, and these material weaknesses have affected our opinion on the Consolidated Financial Statements and we have issued a Qualified Opinion on the Consolidated Financial Statements of the Company.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

DESCRIPTION OF THE COMPANY AND SIGNIFICANT ACCOUNTING POLICIES

1. General Information

Bodhtree consulting Ltd ("the Holding company") and its subsidiaries (together "the group") are engaged in the IT and IT enabling services (ITES) provider. The company has business operations mainly in India and USA. The company is a public limited company incorporated And domicile in India and has its registered office at Mélange towers, Patrikanagar, Madhapur, Hitech city Hyderabad TG 500081 IN. The company has its primary listings on the Bombay Stock Exchange and National Stock Exchange in India. The principle accounting policies applied in the preparation of financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

In accordance with the Insolvency and Bankruptcy Code, the Honorable National Company Law Tribunal, Hyderabad Bench I ("NCLT") on 20 February 2023 admitted Corporate Insolvency Resolution Process application against the Company and appointed an Interim Resolution Professional. Subsequently, Resolution Professional was appointed by the Committee of Creditors on 31 March 2023. However, the Committee of Creditors have expressed dissatisfaction on the working of Resolution Professional thereby replacing the resolution professional following due process and through NCLT order. In view of the pendency of the CIRP process, the power and responsibilities of the Board of Directors were suspended and shall vest with the Resolution Professional ("RP") who is appointed by the Committee of Creditors.

2. Summary of Significant Accounting Policies

2.1 Basis of preparation and presentation of Financial Statements

The financial statements of Bodhtree Consulting Ltd ("BCL" or "the company") have been prepared and presented in accordance with the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules 2015, as amended and as per other relevant provisions of the Act. The presentation of financial statements is based upon IND AS and Schedule III of Companies Act, 2013.

2.2 Basis of Measurement

These financial statements have been prepared on the historical cost convention and on an accrual basis, except for the following material items in the balance sheet:

- e. Derivative financial instruments are measured at fair value.
- f. Certain financial assets are measured either at fair value or at amortized cost depending on the classification;
- g. Employee defined benefit assets/(liability) are recognized as the net total of the fair value of plan assets, plus actuarial losses, less actuarial gains and the present value of the defined benefit obligation, and
- h. Long-term borrowings are measured at amortized cost using the effective interest rate method.

Bodhtree Consulting Limited

All assets and liabilities are classified into current and non-current based on the operating cycle of less than twelve months or based on the criteria of realization/settlement within twelve months period from the balance sheet date.

2.8 Use of estimates and judgment

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, the areas involving critical estimates or Judgment are:

f. Depreciation and amortization

Depreciation and amortization is based on management estimates of the future useful lives of certain class of property, plant and equipment and intangible assets.

g. Employee Benefits

The present value of the employee benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) includes the discount rate, wage escalation and employee attrition. The discount rate is based on the prevailing market yields of Indian Government Securities as at the balance sheet date for the estimated term of the obligations.

h. Provision and contingencies

Provisions and contingencies are based on the Management's best estimate of the liabilities based on the facts known at the balance sheet date.

i. Fair valuation

Fair value is the market based measurement of observable market transaction or available market information. All financial instruments are measured at fair value as at the balance sheet date, as provided in Ind AS 109 and 113. Being a critical estimate, judgment is exercised to determine the carrying values. The fair value of financial instruments that are unlisted and not traded in an active market is determined at fair values assessed based on recent transactions entered into with third parties, based on valuation done by external appraisers etc.

j. Functional and presentation currency

These financial statements are presented in Indian rupees, which is also the functional currency of the Company. All financial information presented in Indian rupees has been rounded to the nearest rupees.

Bodhtree Consulting Limited

2.9 Current and Non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

All the assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1, presentation of financial statements.

Assets: An asset is classified as current when it satisfies any of the following criteria:

- e. It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- f. It is held primarily for the purpose of being traded;
- g. It is expected to be realized within twelve months after the reporting date; or
- h. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities: A liability is classified as current when it satisfies any of the following criteria:

- e. It is expected to be settled in the Company's normal operating cycle;
- f. It is held primarily for the purpose of being traded;
- g. It is due to be settled within twelve months after the reporting date; or
- h. The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counter party, result in its settlement by the issue of equity instruments do not affect its classification

Current assets/ liabilities include the current portion of noncurrent assets/ liabilities respectively. All other assets/ liabilities are classified as noncurrent. Deferred tax assets and liabilities are always disclosed as non- current.

2.10 Foreign Currency Transaction

Transactions in foreign currencies are translated to the respective functional currencies of entities within the Company at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognized in the statement of profit and loss in the period in which they arise.

Bodhtree Consulting Limited

2.8 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a. Financial assets

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

Debt instrument at FVTPL

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss. The Company has not designated any debt instrument as at FVTPL.

Investment in Preference Shares and Unquoted trade Investments

Investment in Preference Shares and Unquoted trade Investments are measured at amortized cost using Effective Rate of Return (EIR).

Investment in equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to the statement of profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Investments in subsidiaries

Investments in subsidiaries are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in

Bodhtree Consulting Limited

subsidiaries and joint venture, the difference between netdisposal proceeds and the carrying amounts are recognized in the statement of profit and loss.

2.11 Property Plant & Equipment

Recognition and measurement

Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment loss, if any. Cost includes expenditures that are directly attributable to the acquisition of the asset i.e., freight, duties and taxes applicable and other expenses related to acquisition and installation. The cost of self-constructed assets includes the cost of materials and other costs directly attributable to bringing the asset to a working condition for its intended use. Borrowing costs that are directly attributable to the construction or production of a qualifying asset are capitalized as part of the cost of that asset.

Directly attributable costs include:

- f. Cost of Employee Benefits arising directly from Construction or acquisition of PPE.
- g. Cost of Site Preparation.
- h. Initial Delivery & Handling costs.
- i. Professional Fees and
- j. Costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling any item produced while bringing the asset to that location and condition (such as samples produced when testing equipment).

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses upon disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognized net within the statement of profit and loss.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part will be derecognized. The costs of repairs and maintenance are recognized in the statement of profit and loss as incurred.

Items of property, plant and equipment acquired through exchange of non-monetary assets are measured at fair value, unless the exchange transaction lacks commercial substance or the fair value of either the asset received or asset given up is not reliably measurable, in which case the asset exchanged is recorded at the carrying amount of the asset given up.

Depreciation

Depreciation is recognized in the statement of profit and loss on a straight line basis over the estimated useful lives of property, plant and equipment based on the Companies Act, 2013

Bodhtree Consulting Limited

("Schedule II"), which prescribes the useful lives for various classes of tangible assets. For assets acquired or disposed off during the year, depreciation is provided on pro rata basis. Land is not depreciated.

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted prospectively, if appropriate.

The estimated useful lives are as follows:

Type of Asset	Estimated useful life in years
Audio & Video systems	2
Electrical items	10
AC'S/UPS/Stabilizers	5
Vehicles	8
Computers	3
Office Equipment	5
Furniture & Fixtures	10

Advances paid towards the acquisition of property, plant and equipment outstanding at each reporting date is disclosed as capital advances under other noncurrent assets. The cost of property, plant and equipment notready to use before such date are disclosed under capital work-in-progress. Assets not ready for use are not depreciated.

Company assesses at each balance sheet date, whether there is objective evidence that an asset or a group of assets is impaired. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Recoverable amount is higher of the value in use or fair value less cost to sell.

2.12 Intangible assets

Acquired computer software is capitalized on the basis of the costs incurred to acquire and bring to use the specific software. The Intangible assets that are acquired by the Company and that have finite useful lives are measured at cost less accumulated amortization and accumulated impairment losses.

Amortization

Amortization is recognized in the statement of profit and loss on a straight-line basis over the estimated useful lives of intangible assets or on any other basis that reflects the pattern in which the asset's future economic benefit are expected to be consumed by the entity. Intangible assets that are not available for use are amortized from the date they are available for use. The estimated useful lives are as follows:

Type of Asset	Estimated useful life
Intangible Assets	

Computer Software	3
-------------------	---

The amortization period and the amortization method for intangible assets with a finite useful life are reviewed at each reporting date

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e., removed from the Company's balance sheet) when:

- c. The rights to receive cash flows from the asset have expired, or
- d. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Impairment of trade receivables

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18. As company trade receivables are realized within normal credit period adopted by the company, hence the company trade receivables are not impaired except for certain customers for which adequate provision has been made on the same.

b. Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value i.e., loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

Subsequent measurement

Bodhtree Consulting Limited

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in the statement of profit and loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

2.19 Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For goodwill and intangible assets that have indefinite lives or that are not yet available for use, an impairment test is performed each year on March 31.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash-generating unit. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflow of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognized in the statement of profit and loss if the estimated recoverable amount of an asset or its cash-generating unit is lower than its carrying amount. Impairment losses recognized in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to the units and then to reduce the carrying amount of the other assets in the unit on a pro-rata basis.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

2.20 Cash & Cash Equivalents

Cash and bank balances comprise of cash balance in hand, in current accounts with banks, demand deposit, short-term deposits, Margin Money deposits and unclaimed dividend

accounts. For this purpose, "short-term" means investments having maturity of three months or less from the date of investment. Bank overdrafts that are repayable on demand and form an integral part of our cash management are included as a component of cash and cash

Bodhtree Consulting Limited

equivalents for the purpose of the statement of cash flows. The Margin money deposits, balance in dividend accounts which are not due and unclaimed dividend balances shall be disclosed as restricted cash balances.

2.21 Employee Benefits

f. Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

g. Defined Contribution Plan

The Company's contributions to defined contribution plans are charged to the statement of profit and loss as and when the services are received from the employees.

h. Defined Benefit Plans

The liability in respect of defined benefit plans and other post-employment benefits is calculated using the projected unit credit method consistent with the advice of qualified actuaries. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates based on prevailing market yields of Indian Government Bonds and that have terms to maturity approximating to the terms of the related defined benefit obligation. The current service cost of the defined benefit plan, recognized in the statement of profit and loss in employee benefit expense, reflects the increase in the defined benefit obligation resulting from employee service in the current year, benefit changes, curtailments and settlements. Past service costs are recognized immediately in income. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise.

i. Termination benefits

Termination benefits are recognized as an expense when the Company is demonstrably committed, without realistic possibility of withdrawal, to a formal detailed plan to either terminate employment before the normal retirement date, or to provide termination benefits as a result of an offer made to encourage voluntary redundancy. Termination benefits for voluntary redundancies are recognized as an expense if the Company has made an offer encouraging voluntary redundancy, it is probable that the offer will be accepted, and the number of acceptances can be estimated reliably.

j. Other long-term employee benefits

The Company's net obligation in respect of other long term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and

Bodhtree Consulting Limited

previous periods. That benefit is discounted to determine its present value. Re-measurements are recognized in the statement of profit and loss in the period in which they arise.

2.22 Provisions, contingent liabilities and contingent assets

Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

2.23 Revenue Recognition

Sale of goods and services

Revenue is recognized when the Company substantially satisfied its performance obligation while transferring a promised good or service to its customers. The company considers the terms of the contract and its customary business practices to determine the transaction price. Performance obligations are satisfied at the point of time when the customer obtains controls of the asset.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognized based on the price specified in the contract, net of the estimated sales incentives / discounts. Accumulated experience is used to estimate and provide for the discounts/ right of return, using the expected value method.

Unbilled revenue represents amounts recognized based on services performed in advance of billings in accordance with contract terms and is net of estimated allowances for uncertainties and provision for estimated losses. Revenues from annual maintenance contracts are recognized pro-rata over the period of the contract in which the services are rendered.

Revenue from sale of licenses, hardware and other related items are recognized when the significant risk and rewards of ownership and title of the product is transferred to the buyer

Bodhtree Consulting Limited

which generally coincides with acknowledgement of delivery. The value of sale is net of taxes.

Other Income

Interest Income

Interest Income mainly comprises of interest on Margin money deposit with banks relating to bank guarantee. Interest income should be recorded using the effective interest rate (EIR). However, the amount of margin money deposits relating to bank guarantee are purely current in nature, hence effective interest rate has not been applied. Interest is recognized using the time-proportion method, based on rates implicit in the transactions.

2.24 Borrowing Costs

Borrowing costs consist of interest, ancillary and other costs that the Company incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Borrowing cost also include Exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

2.25 Tax Expenses

Tax expense consists of current and deferred tax.

Income Tax

Income tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in equity.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred Tax

Deferred tax is recognized using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

Bodhtree Consulting Limited

2.26 Earnings per Share

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

Trade receivables

Trade receivables are initially recognized at fair value and subsequently measured at amortized cost using effective interest method, less provision for impairment, if any.

Amount in Rs.			
	Particulars	As At 31st March, 2023	As At 31st March, 2022
	Receivables considered good – Secured	-	-
	Receivables considered good –UnSecured	64,71,31,369	1,02,05,44,709
	Provision for Bad & Doubtful Debts	(54,78,305)	(12,55,46,726)
	Total	64,16,53,064	89,49,97,983

2.27 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method.

Fair value which is determined for disclosure purposes is calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date. For finance leases the market rate of interest is determined by reference to similar lease agreements. In respect of the company's borrowings that floating rates of interest, their fair value approximates carrying value.

(b) Depreciation and amortization

Depreciation and amortization are based on management estimates of the future use full lives of the property, plant and equipment and intangible assets. Estimates may change due to technological developments, competition, changes in the market conditions and other factors and may result in changes in the estimated useful life and may result in changes in the estimated useful life and the depreciation and amortization charges.

Bodhtree Consulting Limited

(b)Employee benefits

The present value of the defined benefit obligations depends on a number of factors that are determined on an accrual basis using various assumptions. The assumptions used in determining the net cost/ (income) includes the discount rate, wage escalation and employee attrition. Any changes in these assumptions will impact the carrying amount of obligations. The discount rate is based on the prevailing market yields of Indian government securities as at the balance sheet date for the estimated term of the obligations.

(c)Trade receivables

The credit worthiness of Trade receivables and the credit terms set are determined on a case to case basis and the management has factored in the uncertainties arising out of Covid -19, as applicable. Based on other internal and external sources of information as determined by the management, the company expects to fully recover the carrying amount of trade receivables except from certain customers and the company had made the adequate provision on the same.

The fair value of Trade receivables are not considered to be significantly different from their carrying values, given their generally short period to maturity, with impairment reviews considered on an individual basis rather than when these become over due

2.40 Other Relevant Information

The Company has incurred a net loss of Rs (26,25,13,165)/- during the year ended 31 March 2023 and, as of that date, this indicates existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going-concern and, therefore, that it may be unable to realise its assets and discharge its liabilities in the normal course of business, however management is of the opinion that company will revive by December 2023.

Subsequent to a petition filed by operational creditor in year end , in accordance with the Code, the Honorable National Company Law Tribunal, Hyderabad Bench I ("NCLT") on 20 February 2023 admitted Corporate Insolvency Resolution Process application against the Company and appointed an Interim Resolution Professional. Subsequently, Resolution Professional was appointed by the Committee of Creditors on 31 March 2023. However, the Committee of Creditors have expressed dissatisfaction on the working of Resolution Professional thereby replacing the resolution professional following due process and through NCLT order. In view of the pendency of the CIRP

process, the power and responsibilities of the Board of Directors were suspended and shall vest with the Resolution Professional (“RP”) under the provisions of the Code.

In accordance with the CIRP, the IRP had published brief particulars of invitation for expression of Interest from prospective Resolution applicants to submit resolution plan and invited Resolution Plans therefore. The IRP has received responses from certain parties who have submitted their respective resolution plans and the same will now be examined by the RP. Thereafter, the Resolution plans will be submitted to COC for their approval. The plan, as approved by the COC shall be submitted to NCLT for approval in accordance with section 20 of the Code. The RP is taking necessary action as required under the said section to keep the Company as going concern. In view of the above, these Financial Statements have been prepared on going concern basis.
